

History

The company was founded by Ulrich Andersson in 1999.

The aim right from the start was to offer companies and contractors various possibilities of capital acquisition and various management solutions.

Business

Ulrich & Co AB currently offers its clients total solutions for administration, financing, market canvassing, management issues and mentorship.

Do you wish to start up your own company? Develop your existing business? Do you wish to reach out with a product? We will help you realise your ideas. We will help with everything from capital acquisition and registration with the Swedish Companies Registration Office to administration, marketing etc. Going it alone does not always make you strong – above all not 'when the ice is weak' and if you do not know whether it will 'hold or break'. Good leadership will then give you security.

We will help you bear the heavy load. If you have a concept you wish to realise you will often find yourself against obstacles when you see the work this entails.

Our services will help you on your way. Get in touch with us and we will discuss how Ulrich & Co can best help you get started.
